

CUMBERLAND RIVER'S FIRE REGULATIONS

- 10 LITRES OF WATER must be beside the fire drum when in use.
- ALL FIRES are to be extinguished WITH WATER BY 10PM.
- Collection of bush & beach wood is prohibited; penalties apply.
- The ground and air space within 3 metres of the fire must be clear of flammable material.
- FIRES MUST BE ATTENDED AT ALL TIMES.
- Fires are only permitted in fire bins provided by the park.
- It is preferable that wood be purchased from our kiosk. No treated timber or timber with nails or screws permitted.
- Those who do bring their own firewood must take all unburnt wood away on departure
- No chopping/splitting/chain sawing of wood in park grounds.
- Staff have the authority to ban all fires on days of high wind and unfavourable weather and remove fire drums should they be improperly used.
- Failure to comply with the above rules may result in eviction.

Management will not be held liable if any CFA or Park fire regulations are broken by guests.

NO FIRES ON DAYS OF TOTAL FIRE BAN

Being able to enjoy a campfire is a privilege!
Please adhere to the regulations if you would like the use of fire drums at Cumberland River Holiday Park to continue.
